HAPPY NEW YEAR!
2025

To streamline our processes, Magic Triangle will no longer be using paper calendars for arrival times and scheduled absences. Instead, as of January, please log into your Digibot account to enter your child's scheduled absences directly!

To help you stay on track, families will receive reminders via email and updates will also be posted on our social media. Thank you for your cooperation!

Happy New Year! We hope you had a joyful holiday season and are excited to begin another year together. As we step into 2025, we reflect on our growth and look forward to a year of learning, nurturing, and fun.

The New Year is a great time to set goals. Here are a few resolutions we're focusing on at Magic Triangle:

- Promoting Emotional Growth: Supporting resilience, confidence, and empathy in our children.
- Enhancing Learning Opportunities: Introducing new activities and themes to inspire curiosity and creativity.
- Building Stronger Connections: Strengthening relationships with staff, children, and families.
- Family Engagement: Hosting more family events to connect with you.

We'd love to hear your resolutions for your child! Whether it's developing new skills or making new friends, sharing your goals helps us work together for a year of growth and success.

Thank you for trusting us with your child's care and education. We're excited to continue this journey with you, wishing your family a year filled with joy and memorable moments!

MARK YOUR CALENDAR ALL SITES CLOSED FEBRUARY 7, 2025

This closure is to accommodate our annual Professional Development (P.D.) event, where our educators have the opportunity to enhance their skills, collaborate, and improve practices to maintain high-quality service.

While the event is typically held on the last Friday of January, the 2025 date has been adjusted to the first Friday in February to ensure full day childcare services are being offered on the January 31st.

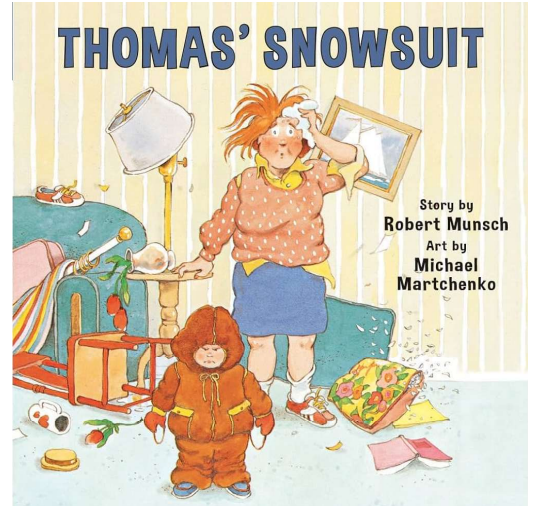

TESTIMONIAL

"It has been a wonderful experience having my children at the Magic Triangle centre in Levack. Everyday my children are excited to go to daycare and that is incredibly reassuring as a parent. We always walk in to a warm welcome and smiling faces. The educators and staff have provided such a fulfilling and nurturing environment for both my children and for that I am so grateful. Thank you for making this a special place my children want to be every day!"

STORYTIME

Thomas' Snowsuit by Robert Munsch is a hilarious story that's sure to warm hearts! When Thomas refuses to

wear his snowsuit, he battles with his mom, his teacher, and even himself! Full of Munsch's signature humor and energy, this book is perfect for sparking giggles while celebrating winter fun. A must-read for children who enjoy lively stories with a twist!
