MARCH FAMILY ENGAGEMENT EVENTS! LUCK & CONNECTION

We're excited to continue our Monthly Family Engagement Events, offering meaningful opportunities for families to bond with their children and educators through fun, interactive activities—all while celebrating the spirit of **St. Patrick's Day**.

Agency-Wide Shamrock Scavenger Hunt

At every childcare site, 20 clover cutouts will be hidden around entrances and hallways. Families are invited to embark on a **Shamrock Scavenger Hunt**: find the clovers, snap a photo of each one, and submit your pictures to your site lead via email or in person. Your efforts will enter you into a draw to win Science North passes for the whole family!

Special Morning Gatherings at Select Sites

Families at the **St-Denis, St. Anne, and Levack** sites are in for a treat with a special morning gathering on **March 14, 2025, from 7:00 to 9:00 AM** enjoying a range of engaging activities:

- **Photo Opportunity:** Capture a beautiful memory with your loved ones.
- **Breakfast/Snack:** Relish a healthy, delicious, and festive light meal.
- **Family Wishing Well:** Write down well wishes or goals for your child and drop them into our "Pot of Gold" throughout the week.
- **Creative Craft:** Join in a fun craft session and create a memorable keepsake to take home.

We encourage families to set aside a little extra time during drop-off to fully enjoy this memorable experience with your little ones. **Thank you** for your continued support and engagement—we look forward to celebrating a month full of luck and connection with you!

TESTIMONIAL

I began bringing my first baby at the EarlyON playgroups when he was four months old. He is now a year and a half, and we rotate between locations almost daily! The locations are all clean and full of toys and sensory activities; my baby absolutely loves going. Not to mention, the staff there are all so wonderful. They organize specialty days for the kids like mini chef, making memories with baby, toddler Picasso, family dinner nights, pumpkin hunt,

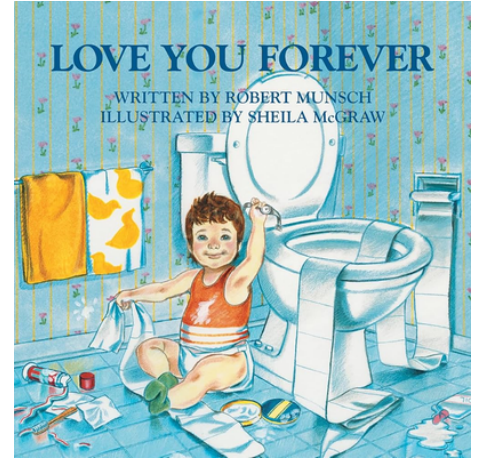

Christmas dance, etc. to name a few. Over time the staff have formed a special bond with me and my child. He's grown to love them and often goes to them to be picked up or snuggled. They give me tips on milestone

achievements, and I've gone to them for assessments when I was worried about my son's development. All of this is free--what a wonderful resource to have in our community! They say it takes a village to raise a child, and I believe without a doubt that they are all part of my village. I will continue to go with all of my kids and will forever look back on these days with fond memories as they've help make them special.
